

PAUL DAVID FREED
FOUNDER & PRESIDENT

Dr. Freed carries a passion and zeal to see men everywhere rise up to their full potential as faithful friends, brothers, fathers, husbands, and sons.

Paul's fascinating heritage began eighty years ago as his grandfather pastored a church in Jerusalem, through the era of the establishment of the State of Israel. His father founded the world's largest missionary radio network, Trans World Radio.

Dr. Freed did his undergraduate studies at Wheaton College and Philadelphia Biblical University, while doing his graduate work at Dallas Theological Seminary, Homestead College of Bible, Oxford Graduate School, and University of Oxford (England).

He has traveled, lived and ministered in over sixty nations and been Vice President of Promise Keepers. He is the author of *The Marriage Makers*, *Mighty Men of God* and *Hombres Poderosos de Dios*.

Paul and his dear wife of thirty years, Sandy, have three grown children and two grandsons.
